Every aspect of the F2000 Series Direct-to-Garment Printer is designed and "purpose built" by Epson® to deliver industrial-level production speeds, image quality and reliability. Position, and print with, the F2000 in places like job shops, homes, event-site venues and more. This printer is designed to operate at a non-intrusive, whisper-quiet level of just 41 dB.

Harness the power of the F2000! Print t-shirts all day long. Minor daily maintenance requires only a brief down-time resulting in more printed, ready-to-sell t-shirts by day's end.

GET HIGH PERFORMANCE, HIGH QUALITY DIGITAL IMAGING THANKS TO A COMBINATION OF STANDARD FEATURES LIKE THESE:
